Camino™, tailored to impress.

Camino is tailored to impress with transitional lines that complement both contemporary and traditional interiors. The flared arm is a timeless detail that opens up the seating area for greater comfort. Make it yours with any of the Global's high performance textiles, vinyls or leathers. Matching or contrasting piping is available on the arms, seat and back for a formalized look.

5471-CP Lounge Chair, 5473-CP Three Seat Sofa shown in Momentum Tradition, Weld (TD36), Contrast Piping shown in Maharam Manner, Magic (MN93) and Night (ASM) Wood leg. 5475-W End Table, 5474-W Coffee Table with Wood Top and legs shown in Night (ASM).

Transitional styling and a contemporary scale complete the fit.

Polished aluminum legs and frame are also available on Camino. Coordinating coffee and end tables in both wood solids and laminates complete the collection. Designed by Chris Carter.
