Oscar™ Swivel Seating

Projecting the smart aesthetics of today's office, Oscar swivel seating is a value-oriented, sophisticated choice for conferencing and contemporary casegoods settings.

Features:

The contemporary knit design, exclusive to Indiana Furniture, features a suspension mesh back over a metal frame for breathability and comfort. Available in four colors.

The comfortable contoured seat offsets the thin profile of the knit back.

The mid-height back satisfies both management office and conferencing applications.

Optional black, white and aluminum powder-coated base options provide an upscale look at great value.

Arm options: Choose from armless, adjustable "T" arms or cast aluminum arms with poly inserts.

Control options include a basic swivel tilt and a synchro knee tilt that allows independent back and seat movement for improved comfort and ergonomics.

450 Swivel: 21" w x 25" d x 38.75"-41.5" h

Seat fabrics shown: Conneaut Davenport Spring, Momentum Crux Wine, and Momentum Ace Carbon.
