

ERGO SELECT

G1

All day comfort

G1 Ergo Select™ is expertly designed to fit the human body. Fully compliant with the latest BIFMA G1, GSA and CGSB specifications, the series offers extensive, adjustable features for custom comfort. Choose your seat size, back height, arm and mechanism to support the way you work. G1 Ergo Select fits many body shapes, including an extended high back option for taller individuals. Sit, move and work comfortably in G1 Ergo Select.

Build it to fit you

1 select your back height

2 select your seat

3 select your mechanism

additional options

choose from three arm styles

choose from two base colors

Seating shown in Momentum Tradition, Frond.

A closer look

Tapered back allows unrestricted arm and upper body movement

Extended High Back

28" above the seat, the best choice for taller users

High Back

25" above the seat, supports shoulders of most users

Medium Back

22" above the seat, the best choice if tasks involve a lot of upper body movement

Armcaps slide forward and backward, side-to-side and pivot inwards and outwards

Three arm options, all are height adjustable

Height adjustable lumbar support provides 4" of customized fit

Four mechanisms to choose from

Seat depth adjustment travels up to 3" (generous seat travels 2.25")

Bases are available in Black and Polished Aluminum

Dual wheel carpet casters are standard
Optional dual wheel casters for hard flooring are available

Heavy Duty models (not shown) for 24/7 applications have a weight capacity of 350 lbs.

Seating shown in Momentum Tradition, Frond.
