

Supra™

# Supra™

Value, beauty & comfort — all in one exceptional chair series.

High back knee-tilter

Medium back knee-tilter

Contoured cushions support the user in comfortable, contemporary style. Supra™ is available with a standard Black fiberglass reinforced nylon base or an optional Tungsten finished steel base. An armchair is available with casters for easy mobility. Value, beauty and comfort — all in one chair series. Designed by Zooney Chu.

# Supra™

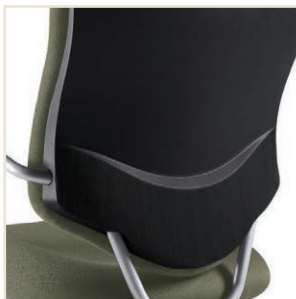

Supra supports the user in comfortable, contemporary style.

High back knee-tilter

Four-legged armchair with standard Tungsten frame

Protective outer back. Beautifully sculpted outer back shell is made from impact resistant polypropylene for additional durability.

Soft durable arm. The broad sculptured armcap is soft to the touch and made from durable self-skinned urethane.

Tilter. Chair offers tilt tension adjustment and tilts from a pivot point under the center of the seat allowing you to rock comfortably. Chair can be locked in an upright keyboarding position.

Knee-tilter. Chair tilts from a pivot point at the front of the seat. This keeps your feet on the floor as you rock and reduces pressure behind the knees; thereby enhancing blood flow. Tilt tension is adjustable for body weight.

# Supra™

Supra is defined by superior practicality in many office applications. The popular choice for management, meeting rooms and guest seating.

Black fiberglass reinforced nylon base is standard (optional Tungsten and Polished Aluminum)

Four-legged armchair on casters for easy mobility, optional Black frame at no upcharge

Standard Tungsten frame on armchairs
