Sidero™

A complete series of multi-purpose seating for all applications.

6900 Armchair. Shown in Momentum Torque, Blackest.

6900C Armchair with casters. Shown in Momentum Tate, Helm.

6902 Armchair with Sled Base. Shown in Momentum Tate, Helm.

From any angle Sidero has a clean finished look. The series features a wall saver leg design that prevents the top of the back from touching or damaging the wall, concealed back attachments and a broad comfortable arm that extends downward in the front. It's generous seat and compound curved back make it comfortable and practical in almost any application.

The broad arm offers exceptional durability because it is made from fiberglass-reinforced nylon, one of the strongest polymers in the marketplace. Sidero will provide many years of trouble free use and is covered by Global's lifetime warranty which protects against defects in material and workmanship, for the life of the product.

Seating for users of all ages from preschool to adult.

6901 Armless chair with standard 17.5" seat height for Grade 5 to adult. Shown in Momentum Epic, Capri.

6910 Armless chair with 15" seat height for Grades 2 to 4. Shown in Momentum Epic, Capri.

6909 Armless chair with 13" seat height for Preschool to Grade 2. Shown in Momentum Epic, Slice.

6908 Armless chair with 10" seat height for Preschool to Kindergarten. Shown in Momentum Epic, Capri.

Armless chairs shown in Momentum Epic, Slice. Shown with Wind Table.

Sidero offers a unique collection of seating for users of all ages from preschool up to adult. Each age group has its own seat depth, seat width and seat height. The compound curved backs provide exceptional comfort and support in multiple seating positions. Frames are available in Black, Tungsten or optional Chrome.

Scaled down to fit a child's proportions, kid's chairs create a comfy, cozy place for sitting. Handy and versatile, they can be used for seating around a child-size table to create a special spot for children to study, dine, draw, lounge, and learn. Chairs can be stacked up to four high on the floor. Choose from an array of Global fabrics, vinyls and leathers that will complement any child's room.

Sidero™

6906 Bar stool with arms. Shown in Momentum Tate, Helm.

Bar height (28.5" seat height) and counter height (24" seat height) stools are available in arm and armless models.

6900 Armchair. Stacks up to five high on the floor or eight high on a dolly (not shown, 2125WS).
